Home learning for children isolating/ shielding or quarantining at home:

For individual children who are not able to attend school, the school will continue to set weekly homework on Google Classroom as with the rest of the class and direct pupils to the range of online learning available for example on <https://www.thenational.academy>. Some of this will mirror class/ year group learning and some will not. If your child has an Education Health and Care plan (EHCP) our SENCOs will work with you to make provision for your child at home.
