Year 3 Curriculum

Term	Lenses	Big Questions
Autumn	MIGRATION & DIVERSITY LANDSCAPE	How and why has Finchley changed over time? Should we build on London's greenbelt?
Spring	SOCIETY SETTLEMENT	Would you have preferred to live in the Stone Age, the Bronze Age or the Iron Age? How does the Japanese landscape affect settlement?
Summer	CIVILISATION TRADE & RESOURCES	Were the Pyramids the greatest achievement of the earliest civilisations? Is trade always good?

Year 3 Curriculum

Our Year 3 Curriculum - Autumn 1

Big Question	A black question mark inside a white circle.	How has Finchley changed over time? This big question has centred our learning into our local area to allow the students to develop an understanding of the area around us through building skills in different areas of our curriculum.
Maths	A black calculator icon.	To further strengthen the foundation of our children's Mathematics knowledge we will be building upon skills of place value, addition and subtraction.
English	A black pencil icon.	Students will be focusing on developing a strong understanding of the structure of a sentence by exploring the different grammatical parts of the sentence and how they work together.
History	An icon of an open book with a green cover.	In History we are looking into the past of our local area. The children will be developing skills to analyse sources and compare them to their view of the present to understand the sequence of time.
Science	A green flask icon.	To begin we will be laying the foundation of the Scientific method through engaging in experiments that light the spark of investigation and later this term we will be exploring what plants need to grow.
Religious Education	An icon of an open book with a black cover.	Our area is diverse in faiths which are followed by the members of our community. This half term will introduce children to Christianity, they will learn about the origin, symbols and beliefs of this religion.
PSHE	A simple black and white smiley face icon.	Our focus of this half terms circle times and PSHE lessons will be to make the transition to the junior school and back to school after a long break as comfortable and supportive for our young learners.
Music	An icon of musical notes on a staff.	Our brilliant Music teachers will be introducing the musical families of the orchestra to our Year 3, exploring their unique sounds and roles. The children will get the opportunity to ...
Computing	An icon of a computer monitor.	Our Year 3 children will be introduced to using the Chromebooks and will be developing coding skills through using scratch to create their own unique animation.
French	The flag of France, with vertical stripes of blue, white, and red.	Bonjour! We will be starting to learn basic phrases, questions, colours and learning numbers to 10.
