

Moss Hall Junior Book club

Do you enjoy reading? Do you want to share your passion for books with others whilst discovering new and exciting stories? Then the Moss Hall Juniors book club is the place for you! Each week you get the opportunity to bring your favourite book or a book you're currently reading and share it with your fellow literary loving peers. This can be from home or from the school library.

Each week, as a group, we will focus on one book. From a selection of best sellers and recent releases. The teacher reads the book aloud before we discuss what we liked about it, make predictions, talk about our favourite characters and other topics.

Each week will have a creative based activity which is inspired by our book focus. Activities could involve: making book marks, mask creating and designing a character.

Each session will be facilitated by Miss Moretti in her classroom 3M at a cost of £104- 13 sessions.
