

MOSS HALL

CHESS CLUB

I am delighted that we are continuing the chess club at school next term, which will take place each Tuesday before school, starting at 8am and finishing at 8.50am. The first lesson will be Tuesday 18th April 2023. The last lesson will be Tuesday 11th July. The club is open to all Year groups.

The cost for the full term is £114.00 payable before the first lesson by bank transfer only.

Chess develops a number of important skills in its students such as pattern recognition and memory, decision making, analytical ability, imagination and self-discipline, all of which can naturally help children in the academic arena.

Congratulations to all our chess teams who have qualified for the National Schools Championships Semi-Final. We are now through to the top 60 schools in the country, both State Schools and Private Schools.
