While Having a Lot of Fun!**

Little Volcanoes Science Club

SUMMER TERM 2022

Moss Hall Infant School

TOPICS:

"Habitats & Fascinating
Animals"

"Weather/Climate &
Interesting Plants" and more

Little Volcanoes Science Club is for all little explorers and curious minds that are ready to do something different!

Each lesson is a unique combination of interesting experiments and sensory hands-on activities with drama, puppetry and singing. It is led by an enthusiastic and highly qualified teacher with 23+ years teaching experience. Children will learn a variety of scientific topics across Biology, Chemistry, Physics and Geography while having a lot of fun. They will develop their analytical, practical and social skills; enjoy sensory and hands-on activities; and expand their vocabulary while learning about the world around them.
