## Statement of intent

**Moss Hall Schools Federation** is committed to ensuring equal opportunities for all pupils, regardless of financial circumstances, and has established the following policy and procedures to ensure that no child is discriminated against by our offering of school trips, activities and educational extras.

In addition, we are committed to adhering to legal requirements regarding charging for school activities, and meeting all statutory guidance provided by the DfE.

We promise:

- Not to charge for education provided during school hours.
- To inform parents on low incomes and in receipt of relevant benefits of the support available to them when asking for contributions.

Please note that while this policy may be more or less generous than the LA's, we have ensured it meets the requirements of the law.

## **1. Legal framework**

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Education Act 1996
- [New] Children Act 1989
- The Charges for Music Tuition (England) Regulations 2007
- The Education (Prescribed Public Examinations) (England) Regulations 2010
- DfE (2018) 'Charging for school activities'
- DfE (2020) 'Governance handbook'

This policy operates in conjunction with the following school policies:

- Complaints Procedures Policy

## **2. Charging for education**

Parents will not be charged for:

- Admission applications.
- Education provided during school hours.
- Education provided outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for by the school, or part of RE.
- Instrumental or vocal tuition, unless provided at the request of the pupil's parent.
- Entry for a prescribed public examination, if the pupil has been prepared for it at the school.
- Examination resits, if the pupil is being prepared for the resits at the school.

We may charge parents for the following:

- Materials, books, instruments or equipment, where they desire their child to own them
- Optional extras
- Music tuition (in certain circumstances)
- Vocational tuition (in certain circumstances)

We will make it clear that, in the following circumstances, we will propose to remit (wholly or partly) any charge which would otherwise be payable to the school:

## **3. Optional extras**

We may charge parents for the following optional extras:

- Education provided outside of school time that is not:
  - Part of the national curriculum
  - Part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school
  - RE
- Examination entry fees where the pupil has not been prepared for the examinations at the school

- Transport, other than that arranged by the LA for the pupil to be provided with education
- Board and lodging for a pupil on a residential visit
- Extended day services offered to pupils

When calculating the cost of optional extras, the school will only take into account the cost, or an appropriate proportion of the cost, of the following:

- Materials, books, instruments or equipment provided in relation to the optional extra
- Buildings and accommodation
- Employment of non-teaching staff
- Teaching staff (including TAs) under contracts for services purely to provide an optional extra
- Teaching staff employed to provide vocal tuition or tuition in playing a musical instrument

The school will not charge in excess of the actual cost of providing the optional extra divided by the number of participating pupils. A subsidy will not be charged for any pupils wishing to participate but whose parents are unwilling or unable to pay the full charge. If a proportion of the activity takes place during school hours, the school will not charge for the cost of alternative provision for those not participating.

The school will not charge for supply teachers to cover for teachers who are absent from school accompanying pupils on a residential visit.

Participation in any optional activity will be on the basis of parental choice and a willingness to meet the charges; therefore, parental agreement is a prerequisite for the provision of an optional extra.

If a charge is to be made for a particular activity, such as optional extras, parents will be informed of how the charge will be calculated.

#### **4. [Updated] Voluntary contributions**

When organising school trips or visits which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip. All contributions are voluntary. If the school does not receive sufficient voluntary contributions, a trip may be cancelled. It is possible to pay via School PIng to either school. If a trip goes ahead, it may include children whose parents have not paid any contribution. The school does not treat these children differently from any others.

If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, the school allows the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents have a right to know how each trip is funded. The school provides this information on request.

**[NEW]** In September each year we ask parents for a voluntary donation of £25 towards our class funds. Fund Money helps towards the cost of additional activities, which take place in the classroom – special art and craft items, cooking ingredients, flower seeds and bulbs,

seasonal items and other resources which enhance the curriculum. This donation is entirely voluntary and all children have access to items purchased. If parents can make this donation for each child this is welcome.

The following is a list of possible additional activities organised by the school, which require voluntary contributions from parents. This list is not exhaustive:

- visits to museums;
- sporting activities which require transport expenses;
- outdoor adventure activities;
- visits to the theatre;
- musical events.

## **5. Music tuition**

Music tuition is the only exception to the rule that all education provided during school hours must be free. The Charges for Music Tuition (England) Regulations 2007 allow for charges to be made for vocal or instrumental tuition provided either individually or to groups of any size – provided that the tuition is at the request of the pupil's parents. The charges will not exceed the cost of the provision, including the cost of the staff providing the tuition.

## **6. Transport**

The school will not charge for:

- Transporting registered pupils to or from the school premises, where the LA has a statutory obligation to provide the transport.
- Transporting registered pupils to other premises where the governing board or LA has arranged for pupils to be educated.
- Transporting pupils to meet an examination requirement when they have been prepared for the examination at the school.

The school will ask parents for a contribution for costs incurred for transport to Educational visits that are related to the curriculum.

## **7. Residential visits**

The school will not charge for:

- Education provided on any visit that takes place during school hours.
- Education provided on any visit that takes place outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of RE.
- Supply teachers to cover for teachers accompanying pupils on visits.

The school may charge for board and lodging, but the charge will not exceed the actual cost. Parents will be exempt from board and lodging costs if they can prove that they are in receipt of one or more of the following benefits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance

- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of State Pension Credit
- Child Tax Credit, provided that they are not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190
- Working Tax Credit run-on – paid for four weeks after they stop qualifying for Working Tax Credit
- Universal Credit – if they apply on or after 1 April 2018, their household income must be less than £7,400 a year (after tax and not including any benefits they receive)

## **8. Damaged or lost items**

The school will charge parents for the cost of replacing items broken, damaged or lost due to their child's or a family member's behaviour. This includes a range of school resources including books and IT equipment.

## **9. Remissions**

The school has set aside a small fund to enable parents in financial difficulty to send their children on visits and activities. The funding is limited and there is no guarantee that all requests can be met. Assistance will be allocated on a needs basis, and if the full cost of the trip or activity cannot be met through assistance funding and voluntary contributions, the trip or activity will be cancelled.

Parents in receipt of any of the following benefits may request assistance with the costs of activities:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of State Pension Credit
- Child Tax Credit, provided that they are not also entitled to Working Tax Credit and they have an annual gross income of no more than £16,190
- Working Tax Credit run on – paid for four weeks after they stop qualifying for Working Tax Credit.
- Universal Credit – if they apply on or after 1 April 2018, their household income must be less than £7,400 a year (after tax and not including any benefits they receive)

To request assistance, parents should contact the Federation Business Manager via the MHI or MHJ school offices.

## **10. School trip refunds**

All initial deposits for school trips will be non-refundable. Parents will be informed of this when they are provided with initial information about the trip.

In the event that the school has to cancel a trip due to foreseen circumstances, parental contributions will be refunded. In the event that a school trip is cancelled by a party other than the school due to unforeseen circumstances, it is at the headteacher's discretion as to whether a refund is given to parents. The executive headteacher will consult the governing

board on the matter, taking into account the cost to the school, including alternative provision cost.

In the event that a pupil or their parents cancel the pupil's place on a trip, it is at the executive headteacher's discretion as to whether a refund is given. The EHT will consult the governing board on the matter, taking into account the reason for cancellation, whether the school will be reimbursed for the pupil's place on the trip, and whether the place on the trip can be offered to another pupil.

Where a pupil or their parents have previously cancelled a place on a trip and received a full refund, the school has the right to refuse to allow the pupil to attend future trips and visits.

In the event that a pupil cannot attend a trip at the last minute, e.g. due to illness, it is at the EHT's discretion as to whether a refund is given. The EHT will consult the governing board on the matter, taking into account whether the school will be reimbursed for the pupil's place on the trip and whether the place on the trip can be offered to another pupil.

In the event that a school trip is postponed due to unforeseen circumstances, it is at the EHT's discretion as to what happens with the parental contributions for the trip. The EHT will discuss options with the governing board, which could include carrying forward the money until the trip takes place, transferring the money to another trip, or refunding parents.

In the event that the decision is made to postpone a trip due to foreseen circumstances, it is at the EHT's discretion as to what happens with the parental contributions for the trip. The headteacher will discuss options with the governing board, which could include carrying forward the money until the trip takes place, transferring the money to another trip, or refunding parents.

Once trip arrangements have been booked and confirmed, if contributions exceed the total cost of the trip, a refund will be given where the excess is greater than £3.00 per pupil. If the excess is less than £3.00 per pupil, this will be paid into the school's account. Excess expenditure will be subsidised by the school fund.

The school will deal with cancellations and refunds on a case-by-case basis, ensuring that all pupils and their families are treated equally.

If a parent wishes to make a complaint about refunds, they can do so via the Complaints Procedures Policy.

## **11. Monitoring and review**

This policy will be reviewed annually by the governing board and executive headteacher. The next scheduled review date for this policy is **Summer 2024**.
