

End of Year Expectations for Year 3

Reading

- listen to and discuss a wide range of fiction, poetry, plays, non-fiction and reference books or textbooks
- use dictionaries to check the meaning of words that they have read
- · identify themes and conventions in a wide range of books
- preparing poems and play scripts to read aloud and to perform, showing some understanding through intonation, tone, volume and action
- discuss words and phrases that capture the reader's interest and imagination
- check that the text makes sense to them, discuss their understanding and explain the meaning of words in context
- · ask questions to improve understanding of a text
- draw simple inferences such as inferring characters' feelings, thoughts and motives from their actions, and justifying inferences with evidence
- predict what might happen from details stated and implied
- identify main ideas drawn from more than one paragraph and summarising these
- identify how language, structure, and presentation contribute to meaning

 Participate in discussion about both books that are read to them and those they can read for themselves, taking turns and listening to what others say

Writing

- discuss writing similar to that which they are planning to write in order to understand and learn from its structure, vocabulary and grammar
- compose and rehearse sentences orally (including dialogue),
 progressively building a varied and rich vocabulary and an increasing range of sentence structures
- organise paragraphs around a theme in narratives, creating settings, characters
- Evaluate and edit by assessing the effectiveness of their own and others' writing.
- Read aloud their own writing, to a group or the whole class, using appropriate intonation and controlling the tone and volume so that the meaning is clear
- Extend sentences with more than one clause by using a wider range of conjunctions,
- Start to use paragraphs to group related material.

- Use the present perfect form of verbs instead of the simple past
- Begin to use inverted commas to punctuate direct speech.
- Use further prefixes and suffixes and understand how to add them
- Place the possessive apostrophe accurately in words with regular plurals
- Increase the legibility, consistency and quality of their handwriting

Mathematics

- Count from 0 in multiples of 4, 8, 50 and 100; find 10 or 100 more or less than a given number.
- Recognise the place value of each digit in a three-digit number (hundreds, tens, ones
- Compare and order numbers up to 1000.
- Solve number problems and practical problems involving these ideas.
- Add and subtract numbers with up to three digits, using formal written methods of columnar addition and subtraction.

- Solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction.
- Recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables.
- Write and calculate mathematical statements for multiplication and division using the multiplication tables that they know, including for 2-digit numbers
- Solve problems, including missing number problems, involving multiplication and division,
- Count up and down in tenths; recognise that tenths arise from dividing an object into 10 equal parts and in dividing one-digit numbers or quantities by 10
- Compare and order unit fractions, and fractions with the same denominators.
- Draw 2-D shapes and make 3-D shapes using modelling materials; recognise 3-D shapes in different orientations and describe them.
- Identify right angles, recognise that two right angles make a half-turn, three make three quarters of a turn and four a complete turn
- Interpret and present data using bar charts, pictograms and tables.
