

## End of Year Expectations for Year 6

## Reading

- Read age-appropriate texts fluently for long periods of time (at least half an hour)
- Use knowledge of prefixes, suffixes and root words to understand new words
- Recite and quote from favourite poems by heart
- Read aloud with appropriate tone, intonation and volume to make the meaning clear
- Draw inferences about characters' feelings, thoughts and motives, and justify with evidence from the text.
- Distinguish between fact and opinion when reading non-fiction texts
- Compare within and across a range of texts, including genre, theme and layout
- Identify and comment on figurative language used for effect (e.g.: metaphor and personification)
- Read widely and talk at length about a wide range of books, including myths, legends, traditional stories, modern and classical fiction, as well as books from other cultures/traditions and longer narrative poems
- Summarise and précis a longer text
- Identify themes and conventions across a range of writing

## Writing

- Write at length across a range of text types (narrative, nonfiction, poetry), showing an understanding of audience and purpose
- Make deliberate choices decisions about vocabulary, and sentence lengths, types and structures
- Use dialogue to convey character \& advance action
- Use the full range of verb tenses, formal language and the passive voice appropriately
- Use paragraphs to organise information and signal change in time, scene, action, mood or person.
- Use expanded noun phrases to convey
- complicated information concisely (e.g. The fact that it was raining meant the end of sports day)
- Use a range of punctuation with increasing accuracy (including: commas, brackets, dashes, colons, semicolons, hyphens and bullet points).
- Write with increasing legibility, consistency and fluency, including joining letters using diagonal and horizontal strokes

## Mathematics

- Compare and order numbers up to $10,000,000$.
- Use negative numbers in context and calculate intervals across zero (e.g.: the difference between -17 and 5 is 22 ).
- Recognise and use common factors, common multiples, prime numbers, square numbers and cube numbers.
- Round any whole number to a required degree of accuracy and decimals to the nearest whole number
- Use knowledge of order of operations (BODMAS) to carry out calculations involving four operations and brackets
- Add and subtract 7 -digit numbers and numbers to 3 decimal places using the formal column method
- Multiply any 4 -digit number by a 2 -digit number
- Divide: any 4-digit number by a 2-digit number
- Use common multiples to add and subtract fractions with different denominators and mixed numbers
- Multiply simple pairs of proper fractions, writing the answer in the simplest form (e.g. $2 / 3 \times 1 / 2=2 / 6=1 / 3$ )
- Divide simple proper fractions by whole numbers (e.g.: $1 / 3 \div$ $2=1 / 6$ )
- Calculate percentages of quantities e.g. $75 \%$ of 360 , and use percentages for comparison
- Begin to use algebra to express simple missing number problems (e.g. $6 n=42$ ) and express possibilities of
