- Numbots
- Knowledge organiser revision to support learning in the classroom

<https://www.mosshall.school/learning/home-learning/>

Read Write Inc

- The children have been assessed and are working at the level that will challenge them and allow them to learn at their own pace.
- The children will be in a class with a known adult for their Read Write Inc (RWI) group.
- The children will learn new sounds, they will learn spellings of words with these sounds as well as high frequency (tricky) words, and they will apply this in their writing.
- They will be reading a book throughout the week and a copy of this will also be sent home to be practised at home.
- The expectation is that an adult reads with their child each day. Please write the name of the book in the reading record and comment at least once a week.
- The children are only issued with a new book (once a week) when their old book has been returned. Any lost book will be charged at £6 per book using PING.
- Please make sure your child returns their book on time. **Every Friday.**

- Children are to 'play' for about 10 minutes each day to build their basic maths skills
- Children are awarded certificates for achieving goals
- Classes are awarded for the most children who participate

LANGUAGES DAY

Monday 25th September 2023

We need you!

We will be celebrating the languages spoken by our Moss Hall community by holding our very own Languages Day. The children will share their knowledge of different languages and learn about the language and culture of a country linked to their Geography or History curriculum.

As part of that day, we are inviting a parent or carer to come in to their child's class to read all, or part of a book, or share a story or song in a language other than English.

If you are able to volunteer your time between 11.30am and 12.00pm on Monday 25th September, please let your child's teacher know.

Thank you!
